

"SPECIALIZING IN AIR FREIGHT AND HOT SHOT TRUCKING"

Here at ASAP Freight Systems we can arrange same-day pickup for Domestic and International service to and from all cities worldwide allowing you the fastest delivery possible to and from major U.S./ International gateways.

You can trust ASAP Freight Systems to deliver reliable Hot Shot heavyweight cargo same day or next day service. And now you can count on ASAP Freight Systems for your small/large air service, as well.

Counter-to-counter service, single or multiple items under 100 lb each, which meet the size requirements can be shipped anywhere within the forty-eight contiguous states. Maximum acceptable dimensions are (L x W x H) 90 inches. No dimension may exceed 30 inches.

Counter-to-counter service transit times are same-day, next-day, second-day to major cities for the under 100 lb shipping needs.

Cargo service is a convenient way to ship your cargo if your weight is over 100 lb. Maximum limitations vary from city to city as well as aircraft capabilities 300 lb - 450 lb. not to exceed 450 lb.

Cargo service transit times are same-day, next-day, second-day to major cities for over 100 lb shipping needs.

Oversize service is a convenient way to ship your cargo if your weight is over 450 lbs. Maximum limitations vary from city to city as well as aircraft capabilities please be advised that over 2,500 lb. will have to be approved for oversize limitations and routing.

Oversize service transit times are next-day, second-day and deferred to major cities for over 450 lb shipping needs.

The next time it needs to be there, think of ASAP Freight Systems and take advantage of our reliable service, experienced staff available to expedite your shipments 24 hours a day 7 days a week.

Thank You,
Shawn Thomas
